

SIMRAN KAUR

UI/UX Designer

Brampton, Ontario • simranpreet094@gmail.com • +1 647-540-3296 • [LinkedIn](#) • [Portfolio](#)

PROFESSIONAL SUMMARY

Senior UI/UX Designer with 7+ years of experience designing responsive, customer-facing web experiences across enterprise IT, SaaS, financial services, real estate, and digital products. Experienced leading end-to-end UX initiatives from discovery, user research, journey mapping, workshop facilitation, wireframing, prototyping, usability testing, and design system development through developer handoff. Advanced Figma practitioner with strong HTML, CSS, JavaScript, and React knowledge, enabling seamless collaboration with engineering teams. Experienced using Adobe Experience Cloud, Adobe Analytics, Maze, and UserTesting.com to validate designs, analyze customer behavior, and optimize digital experiences. Adept at presenting design rationale to stakeholders and collaborating with Product, Development, Content, SEO, Accessibility, and Analytics teams to deliver accessible, user-centered solutions.

CORE COMPETENCIES

UX Research & Strategy: User Research • UX Workshops • Design Thinking • Persona Development • Journey Mapping • Information Architecture • User Flows • Usability Testing • Maze • UserTesting.com • Heuristic Evaluation • Accessibility (WCAG 2.1)

Interaction & Visual Design: Figma (Advanced) • Wireframing • High-Fidelity Prototypes • Responsive Web Design • Design Systems • Component Libraries • Micro-interactions • Micro-animations • Responsive Design • Figma • Adobe XD • Google Stitch • Sketch • Notion • Procreate

Analytics & Experience Platforms : Adobe Experience Cloud • Maze • Adobe Analytics • Adobe Experience Manager (AEM) • Customer Journey Analysis • Experience Optimization

Front-End Collaboration : HTML5 • CSS3 • JavaScript • React • Material UI (MUI) • Responsive UI Development • Design-to-Code Handoff • GitHub

Enterprise & Collaboration: Stakeholder Management • Executive Presentations • Cross-functional Workshops • Agile/Scrum • Jira • Confluence • Microsoft 365

AI-Assisted Design: ChatGPT • Claude • Google Stitch • Figma Make • Notion AI • Miro AI • Structured Prompt Design

PROFESSIONAL EXPERIENCE

UI/UX Designer & Front-End Developer | Turmitech, Ottawa, ON, Remote(Freelance) Mar 2026 – Present

- Lead end-to-end UX design for responsive web applications from discovery through implementation.
- Conduct user research, stakeholder workshops, usability testing, and design reviews using **Maze** and **UserTesting.com** to validate design decisions.
- Create user flows, information architecture, wireframes, interactive prototypes, and high-fidelity designs in Figma.
- Analyze customer engagement and digital performance using **Adobe Analytics**, translating insights into UX improvements.
- Design and maintain enterprise component libraries and design systems aligned with React, Vue.js, and Material UI.
- Collaborate with developers using HTML, CSS, JavaScript, React, Jira, and Confluence to ensure accurate implementation.
- Support digital content management and experience optimization initiatives through **Adobe Experience Manager (AEM)** and **Adobe Experience Cloud**.

Lead UI/UX Designer & Online Marketing Manager | Guglu Homes, Brampton, ON, On Site May 2026 – Jul 2026

- Led UX redesign of customer-facing website experiences, increasing conversion rates by **70%**.
- Conducted usability testing using **Maze** and **UserTesting.com**, synthesizing findings into prioritized UX improvements.

- Leveraged **Adobe Analytics** to evaluate customer behavior and optimize website performance.
- Managed website experiences through **Adobe Experience Manager (AEM)** while collaborating with SEO, Content, Development, and Marketing teams.
- Facilitated cross-functional workshops and presented UX recommendations to leadership.

UI/UX & Web Designer | Fellows Towing, Mississauga, ON, Hybrid

Dec 2024 – Jan 2026

- Owned UX strategy and design for responsive customer-facing websites.
- Used **Adobe Analytics** to identify customer drop-off points and improve call conversion by **65%**.
- Designed and maintained scalable Figma component libraries and a design system, boosting efficiency and consistency across marketing and operational platforms.
- Led stakeholder workshops to prioritize UX enhancements and improve operational workflows.

IT Analyst (UX & Systems Support) | Fullsteam, Markham, ON, Hybrid

Apr 2023 – Dec 2024

- Embedded within enterprise product and engineering teams to design, document, and improve cross-system UX workflows across POS and PMS platforms.
- Partnered with product, engineering, and operations teams to map and redesign complex end-to-end user workflows spanning multiple platforms, identifying friction and defining scalable, enterprise-grade solutions.
- Established interaction guidelines and UX documentation standards in Confluence, creating reusable reference frameworks adopted by multiple product and development teams.
- Led cross-functional working sessions with IT, product, and business stakeholders to drive consensus on workflow priorities and implementation sequencing.

UI/UX Designer | Buyerfolio, Toronto, ON, Remote

Mar 2022 – Mar 2023

- Led UX design across a consumer-facing real estate web platform, shaping product direction and the design process from scratch.
- Led experience design from discovery through delivery, defining interaction models, user flows, and experience guardrails ahead of development.
- Designed scalable, reusable UX artifacts and component systems that informed development standards, reducing inconsistency and rework during delivery.
- Supported digital publishing using **Adobe Experience Manager (AEM)**.

UI/UX Designer | Xplore Bhilai, Bhilai, India, On Site

Jun 2016 – Oct 2019

- Designed and delivered public-facing websites and digital products with a focus on usability and conversion optimization.
- Conducted stakeholder interviews, usability testing, and information architecture exercises.
- Managed website experiences within Adobe Experience Cloud.
- Produced wireframes, mockups, and interactive prototypes using Figma and Adobe XD.
- Collaborated with developers to ensure pixel-perfect implementation using HTML and CSS.
